

LS6 Living Museum

The LS6 Living Museum, supported by the Hyde Park Picture House, and Leeds 2023, would like to capture your memories, stories and photos of the local area.

COME AND FIND US on July 22nd at The Cardigan Centre as part of a **LEEDS 2023 Grand Celebration** of our area, including music, dancing and food. Starts midday.

We want to hear your stories and memories to help build up a 'living picture' of the Hyde Park area, and how it has changed over the years. We want to hear from individuals and families, whether you've been here a short time or a long time.

You'll be able to contribute your memories to the museum, show us your photos and find out more about the local area that we all call home.

We're particularly interested in the area around the Hyde Park Picture House, Brudenell Road / Queens Road / Chestnut Avenue area. If you have memories of going to the Hyde Park Picture House cinema or know somebody who does, we would love to hear from you.

So, if you've lived in LS6 and worked here, taken children to school or gone to school here yourself, run a business, played in a band or been a student here, we'd love to hear from you so that we can capture your stories and photos and add them to the museum.

Your memories will be hosted on a page on the Lost Cinemas of Leeds website, and may later appear on a separate LS6 Living Museum web page.
